Annual Meeting 1883.

Christ Church Hospital April 22. 1883.

At the annual joint meeting of the Vestries of Christ Church and St. Peter's Church held the second Monday after Easter Sunday A.D. 1883 at five o'clock P.M. there were present of the Vestry of Christ Church Messrs Isaac Welsh, Thomas H. Montgomery, Thomas M. Leeds, Edmund A. Coates and William W. Wiltbank; and of the Vestry of St. Peter's, Messrs John Welsh, Robert M. Lewis, J. Walter Vanx and W. Maylan Lansdale.

On motion Mr Isaac Welsh took the chair and Mr Lansdale was appointed Secretary.

The Minutes of the Annual Meeting of 1882 were read and on motion approved.

Mr Lewis made a Statement of the financial Condition of the Hospital and read a "Recapitulation" of the Treasurer's Report for the past year.

On the motion of Mr John Welsh it was Resolved that the Treasurer be requested to prepare a Condensed Statement of the affairs of the Institution and of matters of interest relating to the inmates, to be furnished to the members of the Vestries for their information.

Mr George H. Kirkham was nominated for Treasurer.

On motion Mr Vanx was unanimously requested to cast one vote for W. Kirkham, which was done and W. Kirkham was declared elected.

The Committee appointed at the last Annual Meeting to consider the subject of obtaining a further Endowment for the Hospital &c made report as follows:

Your Committee to whom at our last Annual Meeting was referred for consideration and report some plans

whereby the Church at large would be more generally
informed of the objects of Christ Church Hospital

Respectfully Reports:—

That to secure the ends in view publication should
be made of the objects of the institution primarily through
the authorities of the Diocese in order that Churchmen
generally might thus be reminded of the existence of
an Establishment which appears to stand alone in
Experience and Capacity in offering home life in their
declining years to Churchwomen. Other influential
means should also be invoked to secure this notice and
by these the attention of the generous would be drawn
to the existence here of a valuable foundation to which
their gifts would be devoted in the further extension
of its objects.

Christ Church Hospital has for more than a century
carried out the designs of its founder and benefactor
but its resources do not keep pace with the increase
in number of the class of women whom it was intended
to provide a home for: And of late years these resources
have lessened owing to the decrease in the rate of interest
in good investments. With accommodation in its
walls for double the number now living here, the
Managers are obliged at present to deny entrance to
many an aged and homeless daughter of the Church.

Were these facts brought before the attention of
Churchmen much time would not elapse ere funds
would be drawn hither and the full capacity of this
Christian Home would be realized, and those would
be entertained that many would be led to remember

it in their Wills. The belief for a long time held yet remains that the Institution is well Endowed and of this the minds of our Community must be now disabused.

The joint Vestries desire here to put on record their sense of the dignity and value of the trust committed to them, and in furtherance of the designs of the noble men whose fortunes were devised to them for the objects of the trust, feel it incumbent upon them to keep alive in the minds and hearts of Church people the condition of its affairs and its increasing needs.

The trust though committed to the then United Churches of Christ Church and St. Peters, the limits of its bounty are not confined within parish bounds, but it is open, to use Dr. Keasley's words, to "poor or distressed women of the Communion of the Church of England, or such as the said Corporation and their Successors shall deem such," and this is without limit as to Parish.

Your Committee therefore beg to offer the following: Resolved, That the Bishop of the Diocese be respectfully requested to bring to the notice of the approaching Convention of the Diocese the Existence of this foundation, in order that Churchmen may be reminded anew of its benevolent purposes with a view to inviting additions by gift or bequests to its funds whereby its benefits may be further extended and its usefulness keep pace with the growing wants of the Church.

Resolved, that the officers of this meeting be instructed to take such other measures as may

their judgment may be effective to secure the objects
of the above resolution

All of which is Respectfully Submitted

Annual Meeting 1884

At the annual joint meeting of the Vestries of Christ Church and St Peter's Church held at Christ Church Hospital on the second Monday after Easter, April 21st 1884, at 5 o'clock P.M. were present of the Vestry of Christ Church Messrs Isaac Welsh, Millbank, Bache, Coates, and Da Costa;

and of the Vestry of St. Peter's Church, the rev Dr Davies Messrs John Welsh, Milling, Lewis, Vaux, and Woodhouse.

On motion the rev Dr Davies took the Chair and Dr Da Costa acted as Secretary.

The minutes of the Annual Meeting of April 2, 1883, and of the Special Meeting of April 23, 1883 were read and approved.

Mr Lewis read the Treasurer's Report for the past year, and dwelt at some length on the causes which had led to the expenditure of £1490: beyond the income from investments, which, from the reduced rates of interest, were less productive than hitherto, and whilst the Managers regretted that such should be the case, the only way of avoiding it was to discharge some of the Sumates, which they could not bring their minds to consent to. It was however well that the joint Vestries should

know that the legacies and contributions received during the year would more than cover the excess of expenditure, and that for the right of way of the Cherry Hill Valley Rail Road through the premises they had received \$5600. which had been added to the principal. Mr Lewis in behalf of the managers added to this statement that it would be a satisfaction to them, should their course meet the approval of the Joint Vestries, that an expression to that effect should be placed on the minutes of this meeting. Mr Coates of Christ Church Vestry moved - That whereas the expenses necessary in the care of the Estate & maintenance of the House have during the year 1882 - 1883 exceeded the income of the Hospital by the sum of \$942³⁵/₁₀₀; and during the year 1883 - 1884 by the sum of \$1490⁶¹/₁₀₀, resolved that the Managers of the Hospital be authorized to carry such amounts to the general account of Profit & Loss, with the approval of the Joint Vestries in such action.

Mr John Welsh, of the Vestry of St Peter's Church offered as a substitute the following resolution, which was unanimously adopted:

Resolved, that the Treasurer's Report, and the explanatory statement made by Mr Lewis, met the entire approval of the Joint Vestries, and that they unite with the Managers of Christ Church Hospital in their regret that the income had fallen short of the necessary and unavoidable expenditure in the maintenance of the Hospital.

Mr John Welch moved that the Managers be requested to have printed, for distribution 500 copies of the Treasurer's Report and statement of income & expenditure to be submitted to each Vestry. Which was adopted.

Mr George W Hunter was nominated for Treasurer.

Dr Da Costa was empowered to cast one vote for Mr Hunter, who was declared unanimously elected.

On Motion of Mr Lewis Resolved That a Committee of two be appointed by the Chair to request from the family of the late Treasurer Mr Geo. H. Kirkham a likeness of him, to be hung in the parlor of the Hospital.

The Chair appointed Messrs Lewis & Coates.
